

Session title	Wonderful Water	
Key Q	Why is water so important?	
Session description	Discover through the creation of 'smelly-pots' how water is the most precious substance on earth. Explore how animals and plants depend on water for their survival. Could they adapt if there was more or less water where they live?	
Key Stage suitability	KS2	
Duration	30 minutes	

Curriculum links	<p>KS2: <a href="#">The World Around Us</a></p> <p><b>Independence:</b></p> <ul style="list-style-type: none"> <li>How living things rely on each other within the natural world</li> </ul> <p><b>Place:</b></p> <ul style="list-style-type: none"> <li>Ways in which people, plants and animals depend on the features and materials in places and how they adapt to their environment</li> </ul> <p><b>Change over time:</b></p> <ul style="list-style-type: none"> <li>How change is a feature of the human and natural world and may have consequences for our lives and the world around us</li> <li>The effects of positive and negative changes globally and how we contribute to some of these changes.</li> </ul>		
Learning outcomes	<b>All learners</b>		<b>More able learners</b>
	<ul style="list-style-type: none"> <li>Will be able to recognize water as one if not the most precious natural resource on earth.</li> <li>Will be able to understand that without water nothing can survive on our planet.</li> </ul>		<ul style="list-style-type: none"> <li>Will be able to understand our role in protecting water.</li> </ul>
